- **210116-3** – SR A1A (Coastal Hwy) from Hospital Creek to Carcaba Road Resurfacing/FDOT/St. Johns County

Ms. Siju asked for questions.

- Vice Chairman Chapman asked if the Baymeadows Road improvements are just milling and resurfacing or does it include operational improvements.

Ms. Siju responded this project is just resurfacing. There is another project within this area that includes operational improvements. Ms. Siju will check to verify what the project entails and report back.

- Vice Chairman Chapman commented on Lem Turner Road there is a four-lane section just north of I-295. Will this work extend the typical section as a four or three lane roadway?

Ms. Siju will look into it and report back.

Branch Davis moved to approve the FDOT's request to amend the FY 2025/26 through FY 2029/30 Transportation Improvement Program (TIP); Bernie O'Connor seconded; motion unanimously carried.

C. APPROVAL OF THE FY 2026/27 – FY 2027/28 UNIFIED PLANNING WORK PROGRAM (UPWP)

Ms. De Jesus asked for questions.

- Vice Chairman Chapman asked what the CAC members role in this process is and how can they add value.

Ms. De Jesus responded to provide input is the most important thing you can do.

- Barney Roberts commented the amount of volunteering within Florida has pushed us ahead of many states in this country. Mr. Roberts is very proud of the CAC and the work they have done.
- Walter Kloss commented he thought the Shands Bridge in Clay County was fully funded. Mr. Kloss asked what the funding being added into this project covers.

Ms. De Jesus responded if you go to the TIP webpage you will see all the details of the project, as well as the financial history.

**F. DRAFT PROJECT RECOMMENDATIONS FOR SU FUNDING FOR
FY 2027/28 – FY 2031/32**

Jeff Sheffield presented the draft project recommendations for SU funding for FY 2027/28 – FY 2031/32.

Mr. Sheffield asked for questions.

- Walter Kloss asked if staff looked at the other funding sources and how does it compare in terms of percentages.

Mr. Sheffield responded the TPO does not have any control over any other funding sources. The percentages presented are based on the population of four counties.

- Walter Kloss asked if the turnpike is part of the First Coast Expressway project.

Mr. Sheffield responded the turnpike is part of FDOT's Work Program.

- Walter Kloss asked if resurfacing work is needed on the First Coast Expressway in the future will those funds show up here.

Mr. Sheffield responded it will show up in the Work Program not in the TIP.

- Walter Kloss commented DRIVE DC was created in hopes of reducing project costs for projects under \$100 million. Mr. Kloss asked how that is being applied to the Work Program. Will FDOT use the savings from reducing costs to generate additional projects?

Mr. Sheffield responded FDOT would have to realize the savings before that happens. If funding becomes available, this district has many "shovel ready" projects.

- Branch Davis asked if the Race Track Road project is encountering problems with FEC.

Mr. Sheffield responded that is correct. New leadership at FEC has resulted in changes in the rules for projects along their line throughout the state.

- Bernie O'Connor commented he is happy to see the section of I-295 on the east side of town north of Butler Blvd. has moved up in the Work Program.

- Vice Chairman Chapman asked if those are construction funds for the Seminole Road roundabout project.

Mr. Sheffield responded that is correct.

- Vice Chairman Chapman asked what the logic behind a roundabout versus a four-lane roadway on Normandy Blvd. is.

Mr. Sheffield responded the decisions made regarding Normandy Blvd. is what gives the public the most benefit at this time. This project will more than likely be pieced together as funding becomes available.

G. DRAFT PROJECT RECOMMENDATIONS FOR CMAQ FUNDING FOR FY 2027/28 – FY 2031/32

Jeff Sheffield presented the draft project recommendations for CMAQ funding for FY 2027/28 – FY 2031/32.

Ms. Fuste' asked for questions.

- Walter Kloss asked if this program is for public schools only, or does it include charter schools.

Ms. Fuste' responded this program includes charter schools.

- Branch Davis suggested contacting the principals of the SACs within each school district.
- Barney Roberts suggested Johnny E. Ford should be the first school to consider and then Andrew Robinson.

Ms. Fuste' asked Mr. Roberts to send her an email with those schools and the list of concerns for each.

- Chuck Labanowski commented St. Johns County has included safety education into their curriculum for the upper grades with plans for the lower grades within the next few years.

Article I: Preamble

The following sets forth the Bylaws of the Citizens Advisory Committee (CAC) of the North Florida Transportation Planning Organization (North Florida TPO).

Article II: Creation

The North Florida TPO shall appoint a Citizens Advisory Committee, the members of which serve at the pleasure of the North Florida TPO. The membership must reflect a broad cross-section of local residents with an interest in developing an efficient, safe and cost-effective transportation system. The membership must also include representation of communities within the urbanized area, persons with disabilities, women, minorities, and persons with low income.

Article III: Purpose and Responsibilities

The Citizens Advisory Committee (CAC) provides citizen comments and views on the metropolitan planning process and serves in an advisory capacity to the **North Florida TPO** on matters related to transportation planning. Responsibilities of the CAC include:

1. Review and comment on proposed goals and policies for the transportation planning process,
2. Review and comment on developing the Long Range Transportation Plan (LRTP),
3. Review and comment on specific projects and corridor studies,
4. Review and comment on short range transportation planning, and
5. Carry out other tasks as requested by the North Florida TPO.

Article IV: Membership

Section 1: Appointing Members

The CAC shall be composed of no fewer than fifteen (15) and no more than twenty (20) members. Any person residing within the North Florida TPO geographical boundary is eligible for membership unless that person holds elective office or a non-elective position in any unit of state or local government having jurisdiction.

Members of the public wishing to serve on the CAC can do so in the following ways:

- Submit a letter of interest and a completed membership application available on the TPO website at www.northfloridatpo.com or picked up in person at the North Florida TPO offices. The form may also be requested by telephone or email. The TPO's Executive Assistant is the point of contact. S/he will then facilitate the completed paperwork with the appropriate elected officials from the respective county serving on the TPO Board.
- Citizens can also express interest through their respective counties by contacting a member of the Jacksonville City Council or the County Commission in Clay, Nassau and St. Johns Counties. The respective elected bodies then implement their processes and approve the member's application.

- A completed application and letter of interest should be sent to the TPO's Executive Assistant to continue the facilitation process. If vacancies persist, current CAC members can facilitate/recruit possible candidates from their geographic area following the same processes as outlined above.
- An interested candidate must attend at least one CAC meeting, preferably two so s/he fully understands the CAC's work. The TPO's Executive Assistant is the point of contact to answer questions.
- Once the candidate has met all the requirements, the application will be submitted to the CAC for their approval and then to the TPO Board for final approval.

Membership applications are accepted at any time and held for one year for consideration should a vacancy occur. Vacancies are posted on the website. In addition, the local governments in which the vacancy occurs may wish to nominate a member.

Every effort is made to ensure that the membership represents a socio-economic, racial and geographic cross section of the population within the North Florida TPO boundary.

Consistent with the apportionment of elected officials on the North Florida TPO Board, and to ensure compliance with **Title VI of the Civil Rights Act**, CAC membership is as follows:

Clay County (Maximum 4)

- The members may represent civic organizations, environmental groups, community redevelopment authorities, homeowner associations and other similar organizations.

Duval County (Maximum 10)

- One (1) member representing the three Jacksonville Beaches communities (Cities of Atlantic Beach, Neptune Beach and Jacksonville Beach).
- The remaining members may include members of civic organizations, environmental groups, community redevelopment authorities, homeowner associations and other similar organizations. Every effort is made to ensure at least one (1) member from each Planning District (6).

Nassau County (Maximum 2)

- The members may represent civic organizations, environmental groups, community redevelopment authorities, homeowner associations and other similar organizations.

St. Johns County (Maximum 4)

- At least one (1) member from the City of St. Augustine
- The remaining three (3) members may represent civic organizations, environmental groups, community redevelopment authorities, homeowner associations and other similar organizations.

Section 2: Membership Term

Members shall serve a term of four years, can be reappointed for additional terms and serve in accordance with these bylaws.

Section 3: Terminating Membership

The Citizens Advisory Committee declares a member's term vacant for either of the following causes:

1. The member no longer resides within the geographical boundaries s/he was appointed to represent.
2. Since a CAC member has no alternate there are no excused absences. If a member misses three meetings during the calendar year, s/he will be notified by staff via U.S. mail, email or phone advising the member of the absences to determine continued interest and/or availability as a member. A vacancy will be filled appropriately.

Section 4: Resigning Membership

A member wishing to resign prior to the end of their term shall submit a letter of resignation to the CAC Chair and/or the TPO's Executive Assistant stating the effective date of such resignation.

Article V: Electing Officers

Section 1: Electing Officers

Officers of the Citizens Advisory Committee (CAC) are Chair and Vice Chair. Officers shall serve a one-year term starting January 1 annually with a one-term limit and be elected at the last meeting of the calendar year. The Chair and Vice Chair shall represent Clay, Duval, Nassau and St. Johns counties on a rotational basis according to the schedule set forth in the table below.

2. If for any reason the Chair is unable to complete his/her term, the Vice Chair will serve as Chair until the next regular election. Vacancy of the Vice Chair shall be filled by majority vote of the CAC members at the next meeting for the remaining balance of the term.

Section 2: Establishing Committees

1. The Chair may establish committees from time to time on an as-needed basis.
2. The Chair will establish a Bylaws Committee at least every two years on even-numbered years to review the bylaws and report their recommendations to the CAC. The Bylaws Committee will be appointed within the first quarter of the even numbered year. The immediate past chair of the CAC shall chair the Bylaws Committee. If the immediate past chair is not available, then the current CAC chair will appoint the chair of the Bylaws Committee. The Bylaws Committee will include at least three CAC members.

Article VI: Meetings

Section 1: Meetings

Regular meetings are at 2 p.m. monthly on the first Wednesday, except January and July. When conflicting with a national, state or local holiday the meeting will move to the following Wednesday or as otherwise agreed to by the CAC by a majority vote. Section 2: Special Meetings

The Chair may call special meetings, or a majority of the Committee members may call a meeting.

Section 3: A Quorum of Voting Membership

A quorum shall consist of the majority of those members entitled to vote. (Committee vacant seats will not be counted as eligible votes until filled).

Section 4: Parliamentary Procedures

The CAC will follow the most current edition of "Robert's Rules of Order," unless superseded by law or these bylaws.

Article VII: Public Participation in CAC Meetings

Persons attending a CAC meeting have the opportunity to address the committee during a scheduled public hearing, at all regularly scheduled business meetings and when otherwise invited by the Chair. A time limit of three minutes is allowed for presentation unless extended by the Chair. If the speaker is reading from a prepared text, a copy is provided for the recording secretary. The following guidelines are followed when a speaker is addressing the Board or committee:

1. When called upon, the speaker should come promptly to the podium (if available), speak clearly into the microphone (if available), and state name and address.
