CALL TO ORDER

Chairman Smith welcomed everyone and called the Technical Advisory Committee meeting to order at 10:03 a.m. Introductions were made around the room.

PUBLIC COMMENT

None at this time.

A. APPROVE THE AUGUST 5, 2026 MEETING MINUTES

Chairman Smith asked that the August Technical Advisory Committee meeting minutes be approved.

Doug Conkey moved to approve the August 5, 2026 meeting minutes; Justin Ryan seconded; motion unanimously carried.

B. STAFF REQUESTS AMENDING THE UNIFIED PLANNING WORK PROGRAM (UPWP) FOR FY 2026/27 – FY 2027/28

Clark Letter informed the group that the Unified Planning Work Program (UPWP) serves as the task-based budget for the North Florida TPO, identifying the planning activities and associated funding necessary to support the region's transportation planning program. The current UPWP covers FY 2026/27 – FY 2027/28 and includes administrative activities, federally and state-required planning activities and other transportation planning efforts undertaken by the TPO and its planning partners.

Staff is requesting approval of an amendment to the UPWP to reallocate existing funding and establish a new planning activity as described below.

- Subtask 5.1 – Annual Mobility Report – Reallocating $46,050 of Consultant Services to Personnel
- Subtask 5.18 – SMART St. Augustine Performance Measure Evaluation – Reallocating $50,000 of Consultant Services to Personnel
- **NEW** Task 5.14 – Jacksonville Sports District East Side Circulation Study and moving the following funding:

FHWA – SU Funding

Task #	Task Name	Original $	Proposed $	Difference
1.5	General Consulting Services	$286,171.00	$136,171.00	-$150,000
5.14	Jacksonville Sports District East Side Circulation Study	$0.00	$150,000.00	$150,000

Mr. Letter asked for questions.

- Jeff Sheffield commented that with the Four Seasons hotel and housing being built, along with increased events and stadium renovations, we are looking at ideas to improve traffic flow on the east side of the stadium.

Doug Conkey moved to approve staff's request to amend the Unified Planning Work Program (UPWP) for FY 2026/27 – FY 2027/28; Dick D'Souza seconded; motion unanimously carried.

C. RESOLUTION ADOPTING 2027 SAFETY PERFORMANCE TARGETS

Clark Letter informed the group the Federal Highway Administration (FHWA) published several rules establishing performance measures and reporting requirements for State Departments of Transportation (DOTs) and Metropolitan Planning Organizations (MPOs). These rules establish measures to assess the condition of road safety within MPO boundaries. The defined performance measures that must be tracked by MPOs are Number of Fatalities, Rate of Fatalities, Number of Serious Injuries, Rate of Serious Injuries and Number of Non-Motorized Fatalities and Non-Motorized Serious Injuries.

FDOT annually establishes statewide safety targets for the following calendar year as part of the HSIP Annual Report, which must be submitted by August 31 each year. Targets are applicable to all public roads regardless of functional classification or ownership.

MPOs have the option of supporting the statewide targets or establishing their own targets for the MPO planning area. MPOs must set their targets within 180 days after FDOT sets the statewide targets. MPOs must annually update their targets by February 27 of each year.

Mr. Letter asked for questions.

- Chris LeDew attended a seminar "Dangerous by Design" where they talked about why the number of fatalities is increasing nationwide. Three of the main reasons are distracted driving (cell phones), E-bikes, and the size of vehicles (SUVs).

  There is no code on the crash report to indicate an E-bike was involved in the accident. Mr. LeDew feels there should be and asked if the TAC could put pressure on the state government to make this change. Also, we have a state

law that prohibits drivers from using hand-held cell phones behind the wheel of a car. Better enforcement is needed to help reduce distracted driving.

Ms. Fuste responded there was a bill that was brought before the Florida Legislature earlier this year. It was vetoed when it got to the Governor's desk. It included language for coding an E-bike crash to differentiate it from motorcycle or bicycle crashes.

- Doug Conkey asked if there is a way to look at and recognize factors so we could provide recommendations to improve pedestrian safety.

Doug Conkey moved to approve the adoption of the 2027 Safety Performance Targets; Jeremiah Glisson seconded; motion unanimously carried.

D. FDOT REQUESTS AMENDING THE FY 2026/27 – FY 2030/31 TRANSPORTATION IMPROVEMENT PROGRAM (TIP)

Anna Siju presented the following amendment to the Transportation Improvement Program (TIP) for FY 2026/27 – FY 2030/31.

A copy of the request is included in Section D, which includes the following projects:

- **209663 3** – SR 10A (Arlington Expressway) at A. Phillip Randolph Blvd. Traffic Signals/FDOT/Duval County
- **430910 3** – SR 103 (Lane Ave.) South of Lucente Drive Pedestrian Safety Improvement/FDOT/Duval County
- **443294 2** – SR 134 (103rd St.) from Lambing Rd. to Ken Rd. Safety Project/FDOT/Duval County
- **445431 4** – SR 211 (Herschel St.) from SR 128 (San Juan Ave.) to St. Johns Ave. – Roundabout/FDOT/Duval County
- **456404 1** – SR A1A over Sherman Creek Bridge No. 720077 Bridge Replacement/FDOT/Duval County

Ms. Siju asked for questions. There were no questions at this time.

Doug Conkey moved to approve the FDOT's request to amend the FY 2026/27 – FY 2030/31 Transportation Improvement Program (TIP); Sean Lynch seconded; motion unanimously approved.

E. TECHNOLOGY TEST BED PRESENTATION

Jeff Sheffield gave a brief presentation on the Real-Time Data and Analytics Pilot for mobility and parking.

Mr. Sheffield asked for questions. There were no questions at this time.

List of Priority Projects (LOPP)

Information Only

MEMORANDUM

To: Board, Citizens and Technical Advisory Committee Members

From: Clark Letter, Director of Planning and Analytics

Date: November 12, 2026

Subject: Annual List of Priority Projects

Staff is soliciting projects for the annual List of Priority Projects (LOPP). This is a candidate list of projects for the new fifth year of the Florida Department of Transportation's Five Year Work Program. Please submit your initial priority projects no later than **January 22, 2027**. We understand that formal approval by your county commission or city council may take longer, but this request will enable TPO staff to prepare a first draft of the LOPP for the February round of committee and Board meetings. Our expectation will be to adopt the LOPP in March.

The LOPP document includes the following categories of projects:

- **Region-Wide Priority Projects – Transportation Capacity Projects**
  This list is perhaps the most important. This list of 25 projects represents the larger capacity and high priority projects throughout the TPO area. This list does not change substantially from year to year, as projects are typically only removed from the list when construction funding has been programmed.

- **Aviation Priority Projects**
  Jacksonville Aviation Authority and St. Augustine - St. Johns County Airport Authority can each submit a list of its priorities for inclusion in the document. The TPO includes these as a reference, but does not re-prioritize these projects.

- **Mass Transit Priorities**
  Jacksonville Transportation Authority and St. Johns/Sunshine Bus can each submit a list of its priorities for inclusion in the document. The TPO includes these as a reference, but does not re-prioritize these projects.

- **Port Priority Projects**
  JAXPORT and the Ocean Highway & Port Authority of Nassau County can each submit a list of its priorities for inclusion in the document. The TPO includes these as a reference, but does not re-prioritize these projects.

- **Transportation Alternatives Program (TAP) – Multi-Use Trails or Sidewalks**
  TAP projects are funded on a rotational basis by County. Our estimated total TAP funding of $3M will be split to fund two different Counties at approximately $1.5M each. We are asking that each county please submit two TAP projects to provide a backup in case any issues arise with the first project submission.

- **SUN Trail Program – Multi-Use Trails**
  It is especially critical that each county submit one viable project for each of the TAP and SUN Trail Programs. Cost estimates must be provided. It is recommended you revisit the project submitted annually to ensure it is still feasible. Applications must be submitted through the GAP system. Please submit the entire trail to our list broken into fundable segments, and indicate the priority of each segment.

- **Transportation Regional Incentive Program Priorities**
  Transportation Regional Incentives Program (TRIP) priorities reflect the region-wide priority list.

Again, please submit your initial priority projects no later than **January 22, 2026**.

If you have questions about TAP or SUN Trails, please contact Thalia Fusté at 904-306-7503 or TFuste@northfloridatpo.com. For any other questions, please do not hesitate to contact me at 904-306-7514 or cletter@northfloridatpo.com. Please copy Jennifer Lott jlott@northfloridatpo.com on all correspondence.

Agenda Item F.

Call for Planning Studies in FY 2027/28

Information Only

MEMORANDUM

To: Board, Citizens and Technical Advisory Committee Members

From: Clark Letter, Director of Planning and Analytics

Date: November 12, 2026

Subject: Request for Study Suggestions, 2027/28

The North Florida TPO and the Florida Department of Transportation are seeking study requests for the 2027/28 fiscal year. The Unified Planning Work Program (UPWP) is the North Florida Transportation Planning Organization's (TPO's) two-year tasked based budget. Bi-annually, the staff of the TPO updates the UPWP as required by state and federal regulations. The UPWP outlines all major transportation planning activities undertaken by the TPO for the two-year planning period beginning July 1, 2026 and ending June 30, 2028.

The North Florida TPO is requesting studies to consider for inclusion in Fiscal Year 2027/28. These projects will be located in **Section 5 – Special Projects** section of the UPWP, and are executed by a TPO General Consultant.

Studies submissions will also be considered by FDOT District 2 staff for selection. These studies will be performed by FDOT and supporting consultant staff in coordination with the TPO.

Please submit study requests to Clark Letter cletter@northfloridatpo.com or Jeff Sheffield jsheffield@northfloridatpo.com by **January 22, 2027**. Please also copy Jennifer Lott jlott@northfloridatpo.com.
